NewGen ESP Energy Savings Package for SQ 390 S	1.040,00 €	45665

Special equipment, available at additional charge:

Hearth air inlet slide valve + hearth supply air hole (without drip tray)	160,00 €	45210
Exhaust air nozzle left instead of right	135,00 €	
Inspection hole in the body of the kiln (including bung)	135,00 €	45140
Lid heating: side- and/or lid-heating continuously adjustable	560,00 €	45010
<p>The circuit of this lid heater is not only a selector switch for "lid heating off" or "side heating off", but a continuously variable switch with which you can adjust the ratio of the side heating in percent. It doesn't get any more convenient than this when firing both ceramics and glass alternately - the ideal combination kiln!</p>		
Hearth heating	390,00 €	45020
External power supply control (night power)	125,00 €	45090

CBG 90	3.330,00 €	23090
CBG 160	4.480,00 €	23160
CBG 210	5.150,00 €	23210
CBG 280	5.900,00 €	23280

Included equipment, without additional charge:

Atmospheric burner device - extremely quiet + easy to regulate	-	
Chimney capping brick for manual reduction control	-	
Powder coated base frame - available in one of five colors of your choice	-	
Welded-on stainless steel fastening clamps, rustproof and easy moving.	-	
Gas pressure spring support for easy lid opening	-	
Lid prop for faster cooling	-	
Propane/Butane gas burner installation	-	
Bottle connector (incl. pressure regulator and manometer)	-	
Temperature measurement 1320°C (Thermocouple type S + Temperature gauge)	-	
Carbon monoxide warning device	-	

Options:

ESP Energy Savings Package for CBG 90	320,00 €	45275
ESP Energy Savings Package for CBG 160	360,00 €	45276
ESP Energy Savings Package for CBG 210	400,00 €	45277
ESP Energy Savings Package for CBG 280	560,00 €	45278

Special equipment, available at additional charge:

Natural gas burner for CBG 90 (compressor required)	1.470,00 €	45509
Natural gas burner for CBG 160 - CBG 280 (compressor required)	1.730,00 €	45510
Compressor for natural gas burner => upon request	-	
Firing curve control (semi-automatic), for propane, incl. TC 66	1.990,00 €	45518
Firing curve control (semi-automatic), for natural gas, incl. TC 66	3.230,00 €	45524
Inspection hole in the body of the kiln (including bung)	135,00 €	45140
Maximum temperature 1350°C	upon request	45092
Maximum temperature 1400°C	upon request	45091
Burner on the right instead of left, exhaust on the left instead of right	230,00 €	45516

Accessories:

2-bottles-adapter (incl. changeover device)	200,00 €	47019
Mains adapter 230V for temperature display	38,00 €	47034
Oxygen probe for atmosphere measuring + data reader TMO2	3.170,00 €	44501
Levelling feet (to compensate for uneven floors)	60,00 €	44700
Set of transport castors PROFI up to 400kg on even floors, 2 of the 4 castors with brakes	130,00 €	44300
Stainless steel exhaust hood (with chimney connection Ø 150 mm)	400,00 €	84002
Furniture set C: for CBG 90	230,00 €	50132

Raku kilns CBR

www.kittec.eu/Modellreihe-cbr

Item

Price Item No.

Kiln models:

Attention! All raku kilns in the basic version come without burner and without temperature measurement.

CBR 44 T	940,00 €	22044
CBR 80 T	1.210,00 €	22080
CBR 120 T	1.440,00 €	22120
CBR 170 T	1.710,00 €	22170
CBR 90 F	1.820,00 €	22090
CBR 180 F	2.390,00 €	22180
CBRB, basic model (with 3 extension rings)	1.640,00 €	22500
additional CBRB Extension ring	250,00 €	22501

Included equipment, without additional charge:

Toploaders with gas spring support for easy lid opening (from CBR 80)	-	
Base shelve with light weight refractory brick cubes for the burner area	-	
Powder-coated base – available in one of five colors of your choice - detachable (top loading models)	-	
Housing shell made from stainless steel - rustproof	-	
Welded-on stainless steel fastening clamps, rustproof and easy moving.	-	
High quality insulation for enormously short heating times	-	
CBRB: Maximum flexibility thanks to easy mount and dismountable rings	-	
CBRB: At any time expandable through additional rings (23 litres each)	-	
CBRB: Basic model incl. bottom ring, lid ring and 3 additional rings (114 litres)	-	

Special equipment, available at additional charge:

Inspection hole in the body of the kiln (including bung)	135,00 €	45140
Inspection hole in the door (including bung)	135,00 €	45140
Door hinge on the left, for CBR-F	250,00 €	45101
Special dimensions	upon request	

Accessories:

Raku-burner 20 kW propane/butane, extremely quiet, well adjustable	250,00 €	47009
Raku-burner 30 kW propane/butane, extremely quiet, well adjustable	260,00 €	47010
Bottle connector (incl. pressure regulator and manometer)	220,00 €	47020
2-bottles-adapter (incl. changeover device)	200,00 €	47019
Temperature measurement (thermocouple + temperature display)	290,00 €	47029
Mains adapter 230V for temperature display	38,00 €	47034
Complete package raku accessories, set A (20kW)	600,00 €	47040
Raku Burner 20 kW, bottle connection, thermocouple, temperature gauge		
Complete package raku accessories, set B (30kW)	610,00 €	47041
Raku Burner 30 kW, bottle connection, thermocouple, temperature gauge		
Levelling feet (to compensate for uneven floors)	60,00 €	44700
Set of transport castors extra wide	190,00 €	44301
2 of the 4 castors with brakes		
Raku tongs, galvanized, with teeth	75,00 €	47051
Raku tongs, stainless steel, with ring shoes for round vessels	110,00 €	47050
Raku gloves 400°C	75,00 €	47060
Raku gloves 1000°C	160,00 €	47061
Raku-Box (ca. 650 x 500 x 300 mm, uncoated on the inside, charcoal grey on the outside)	250,00 €	47055
Raku-Box stainless steel (ca. 650 x 500 x 300 mm)	470,00 €	47056

Casing and frame (!) completely made from stainless steel - rustproof	-	
Hearth air inlet slide valve + hearth supply air hole + drip tray	-	
Lid prop for faster cooling	-	
NewGen ESP Energy Savings Package	-	
significantly shorter firing-cycles, less power drain and less wear		
Transport castors on the rear axle	-	
X-Handle - decentralized in cold area	-	
Swing lid system with pendulum bearing - force free airtight closing	-	
Stainless steel protective bar in front of the loading edge	-	
Light weight refractory brick ASTM 26 at the strongly exposed upper body edge	-	
Stainless steel holder for the controller, at the side of the kiln	-	
Gas pressure spring support for easy lid opening	-

Furniture set for XG 1000	1.440,00 €	50078

Devices - Slab rollers

**KITTEC®**ItemPrice Item No.**Slab rollers**

Hand slab roller RH	95,00 €	40325
Table slab roller CreaP	560,00 €	40322
Table slab roller RS, incl. packaging for delivery	880,00 €	40323
Slab roller RM1	1.670,00 €	40320
Slab roller RM2	1.790,00 €	40321

Included equipment, without additional charge:

CreaP: Rolling pressure through weight-discs, easy manual handling	-	
CreaP: Height adjustment infinitely variable via adjustment device	-	
RH: convenient handling of clay up to a width of 400 mm	-	
RH: assembly-free use for 3 different thicknesses (4/7/10 mm)	-	
RM: Operated via gearwheel and toothed rack - minimum force required	-	
RM: Handwheel - large and easy to grip, large roller diameter	-	
RM 2: Cloth on both sides - work effortlessly with two types of clay	-	
RS: Quickly ready to work on any stable worktable	-	
RS: Clay is pressed evenly between 2 rollers	-	
RS and RM: Height adjustment infinitely variable by means of only one central spindle	-	
RS and RM: measuring scale for millimetre-precise adjustment	-	

Accessories:

RH: Linen cloth	32,00 €	40332
RM: spare linen-cloth (RM: 1 pc.)	72,00 €	40330
RS: spare linen-cloth (RS: 2 pcs.)	72,00 €	40331

Devices - Spray booths

**KITTEC®**ItemPrice Item No.**Spray booth**

Spray Booth SB1	1.720,00 €	40350
-----------------	------------	-------

Included equipment, without additional charge:

Strong suction fan	-	
Galvanized metal filter, easy to clean	-	

Accessories:

Spare metal filter	180,00 €	86400
--------------------	----------	-------

Devices - Clay presses

Item

Price Item No.

Clay press

Clay Press TP	1.150,00 €	40600
---------------	------------	-------

Included equipment, without additional charge:

Standard equipment incl. 4-piece stencil set, stainless steel	-	
Rack & pinion for excellent force transmission	-	
Quality-ratchet for medium physical effort	-	
Quick fastener for an easy change of stencils	-	
Fully galvanized, cylinder extra large for a complete piece of clay	-	

Special equipment, available at additional charge:

Quality ratchet for nominal strain (recommended for people with less physical strength only)	105,00 €	40605
--	----------	-------

Accessories:

12-piece stencil set, for clay press TP, stainless steel	350,00 €	40610
Steel stand for clay press TP	195,00 €	44610

Equipment - Sedimentation tanks

Item

Price Item No.

Sedimentation tank

Clay separator, incl. packaging for delivery	400,00 €	40800
--	----------	-------

Included equipment, without additional charge:

Very robust polymer design	-	
Set of castors (with brakes)	-	
3-chamber-system	-	
Syphon set for sewage hook-up	-	

Special equipment, available at additional charge:

Container slightly lower, upon request	upon request	
Special dimensions	upon request	
Larger quantities, upon request	upon request	

Accessories:

Cover for clay separator	58,00 €	40810
--------------------------	---------	-------

Equipment - Clay boxes

Item

Price Item No.

Clay boxes

TB 100	115,00 €	40881
TB 200	230,00 €	40882
TB 760	450,00 €	40883

Included equipment, without additional charge:

Very robust polymer design	-	
With slip lid	-	
Cold- and heat-resistant	-	

Accessories:

Rollable frame, with castors with brakes, for TB 100	70,00 €	40891
Rollable frame, with castors with brakes, for TB 200	95,00 €	40892
Rollable frame, with castors with brakes, for TB 760	150,00 €	40893

Equipment - Banding wheels

Item

Price Item No.

Banding wheels

RSL 220 N, ball bearing mounted, painted steel, low	65,00 €	40400
RSL 220 H, ball bearing mounted, painted steel, high	69,00 €	40410
RSV 220 N, ball bearing mounted, galvanized steel, low	69,00 €	40415
RSV 220 H, ball bearing mounted, galvanized steel, high	73,00 €	40420
RAB 300 N, with ball bearing and aluminum turntable, low	105,00 €	40470
RAB 300 H, with ball bearing and aluminum turntable, high	115,00 €	40480
Stand-up banding wheel RSL 220 ST, ball bearing mounted, painted steel	170,00 €	40490
Stand-up banding wheel RAB 300 ST, with ball bearing and aluminum turntable	210,00 €	40491
Larger quantities, upon request	-	

Included equipment, without additional charge:

Centring grooves	-	
Stable and safe stand	-	
Precise bearing	-	
Long, quiet and steady run	-	

DIY-material and accessories

DIY-material

Light weight refractory brick ASTM 23 (1320°C, 228x114x76mm)	11,90 €	50518
Light weight refractory brick ASTM 26 (1400°C, 228x114x76mm)	13,60 €	50519
Fibre blanket 1200°C (width 610mm, thickness 25 mm, free of ceramic fibres), price per linear meter	49,90 €	50601
Fibre blanket 1430°C (width 610mm, thickness 25 mm), price per linear meter	58,40 €	50600
Insulating shelf CaSi (1050°C; 1220x1000x20mm = 1,22m ²)	94,50 €	51600
High temperature cement (shelf life 3 months max.), 100g	6,40 €	50576
High temperature cement (shelf life 3 months max.), 1kg	26,60 €	50575
High temperature modelling compound, 310 ml cartridge	30,80 €	50580

Burners and raku accessories

Pot burner, propane, 20 kW - extremely quiet and easy to regulate	390,00 €	47100
Raku burner, propane, 20 kW - extremely quiet and easy to regulate (incl. foot)	270,00 €	47011
Raku burner, propane, 30 kW - extremely quiet and easy to regulate (incl. foot)	280,00 €	47012
Bottle connector (incl. pressure regulator and manometer)	220,00 €	47020
2-bottles-adapter (incl. changeover device)	200,00 €	47019
Full package Raku Equipment A (20kW)	620,00 €	47042
Raku Burner 20 kW incl. foot, Bottle connection, Thermocouple, Temperature gauge		
Full package Raku Equipment B (30kW)	630,00 €	47043
Raku Burner 30 kW incl. foot, Bottle connection, Thermocouple, Temperature gauge		
Carbon monoxide warning device	260,00 €	44502
Oxygen probe for atmosphere measuring + data reading TMO2	3.170,00 €	44501
Raku tongs, galvanized, with teeth	75,00 €	47051
Raku tongs, stainless steel, with ring shoes for round vessel	110,00 €	47050
Raku gloves 400°C	75,00 €	47060
Raku gloves 1000°C	160,00 €	47061
Raku-Box (ca. 650 x 500 x 300 mm, uncoated on the inside, charcoal grey on the outside)	250,00 €	47055
Raku-Box stainless steel (ca. 650 x 500 x 300 mm)	470,00 €	47056

Temperature measurement, type S

Thermocouple type S, up to 1440°C, open contacts, length 100 mm	135,00 €	75014
Thermocouple type S, up to 1440°C, open contacts, length 120 mm	160,00 €	75012
Thermocouple type S, up to 1440°C, open contacts, length 135 mm	175,00 €	75013
Thermocouple type S, up to 1440°C, open contacts, length 170 mm	210,00 €	75017
Thermocouple type S, up to 1440°C, open contacts, length 200 mm	240,00 €	75020
Thermocouple type S, up to 1440°C, open contacts, length 250 mm	280,00 €	75025
Thermocouple type S, up to 1440°C, open contacts, length 300 mm	310,00 €	75030
Thermocouple type S, up to 1,440°C, open contacts, length 350 mm	330,00 €	75035
Thermocouple type S, up to 1440°C, open contacts, length 500 mm	420,00 €	75050
Double thermocouple type S, up to 1440°C, open contacts, Length 310mm	490,00 €	75031
Thermocouple type S, up to 1440°C, with Aluminum head, length 125mm	180,00 €	75081
Thermocouple type S, up to 1440°C, with Aluminum head, length 200mm	270,00 €	75082
Thermocouple type S, up to 1440°C, with Aluminum head, length 320mm	330,00 €	75083
Temperature display for type S (-50°C to 1500°C), incl. 9V-Battery	170,00 €	47033
Mains adapter 230V for temperature display (type S)	38,00 €	47034
Compensation wire orange (type S), incl. flat plug, 2 m	18,00 €	75220
Compensation wire orange (type S), incl. flat plug, 4 m	27,60 €	75221

Europe

Item Price Item No.

Additional information

*For deliveries outside of the EU the issuing of customs documents is required. Costs upon request.	-	
This pricelist is valid for delivery of kilns or pallets up to 900 kg on the mainland (islands: next higher freight zone)	-	
Delivery free first possible unloading point. No additional costs for insurance. Terms of Delivery (Incoterms) for deliveries abroad: CIP ("Carriage and Insurance Paid to") destination.	-	
Installation and instruction on site => please see product prices page	-	
Special packing, for example crates for sea freight, upon request.	-	
Please note: The prices for freight & shipping cover only a part of the actual costs. We will cover the difference.	-	

Differentiation between the zones

Czech Republic 1: Moravia	-	
Czech Republic 2: Bohemia	-	
Poland 1: south-western half of Poland, e.g. Poznań, Lodz, Kraków	-	
Poland 2: north-eastern half of Poland, e.g. Szczecin, Warszawa, Lublin	-	
France 1: north-eastern half of France, e.g. Le Havre, Paris, Dijon	-	
France 2: south-western half of France, e.g. Le Mans, Lyon, Nice	-	
Italy 1: northern half of Italy, e.g. Perugia	-	
Italy 2: southern half of Italy, e.g. Rom	-	
Turkey 1: Istanbul and region north-west of Istanbul	-	
Turkey 2: rest of Turkey, south and east of Istanbul	-	

Installation service:

Installation service within Germany and border regions. Higher weights and to more distant regions and countries on request. Exact conditions and feasibility must be clarified in advance (photos, measurements).

Installation service at ground level	200,00 €	90300
Incl. up to 1 hour for ground level transport into the house (on a solid, even surface, without doorsteps), installation and instruction. For each additional ¼ hour we charge 20.00 Euro net. An assistant on site is absolutely necessary. Delivery and installation service up to 450 kg.		
Installation service at ground level, difficult conditions	260,00 €	90350
Incl. up to 1 hour for ground level transport into the house under difficult circumstances (on partly unpaved or uneven ground or with a slight upward or downward gradient or a doorstep of up to 3 cm), installation and instruction. For each additional ¼ hour we charge 20.00 Euro net. A strong assistant on site is absolutely necessary. Delivery and installation service up to 450 kg.		
Installation service, with stair transport downwards	430,00 €	90400
Incl. up to 2 hours for transport into the house with staircase transport downwards, installation and instruction. For each additional ¼ hour we charge 20.00 Euro net. Two strong helpers on site are absolutely necessary. Delivery and installation service up to 450 kg.		
Installation service, with stair transport upwards	970,00 €	90500
Incl. up to 3 hrs. for transport into the house with staircase transport upwards, installation and instruction. For each additional 1/4 hour, we charge 20.00 euros net per worker. Delivery and installation service up to a maximum of 360 kg.		

Attention: Transport is always at the risk of the buyer!

The passing of risk, unless expressly agreed otherwise, begins when the goods leave our warehouse. Any insurance against the risk of damage to the goods during transport, arranged for and borne by the buyer, will only apply until the goods have been signed for on the shipping document for faultless receipt of the goods. Defects discovered after the signature can NOT be claimed - neither with us nor with the carrier. Therefore, it is essential to check the goods for damage BEFORE signing!

All prices are net prices and exclusive of VAT. Our prices are ex works, without packaging. We may grant discounts for the purchase of larger quantities. With the publication of this price list, all previous price lists lose their validity. This price list is valid until a new price list is published. The prices are without obligation. Price changes, rounding errors and errors excepted. This price list is based on our General Terms and Conditions.
